

# My Cat Cutie

By

I have a cat whose name is Cutie. She is pink with blue stripes and she likes to wear a golden crown with jewels on it.

Beauty contest  
for girl cat's only Thank you

One day Cutie went to a beauty contest. There were four different cats entered in the contest.

First they measured the cats to see if they were at least one foot long. Cutie and another cat named Percy both were.

**Then the cats had to jump through a ring that was very high. Cutie jumped through it with style and grace.**

Finally, the cats had to dress up in their fanciest clothes and parade in front of the judges on their two back legs. Cutie wore a velvety scarlet dress with blue polka dots and her gold jeweled crown. Percy was dressed in a pink and purple polka dotted dress with a green, silver and gold baseball cap.

Cutie won first prize because she was the most beautiful cat and she could walk on her back legs the longest. She enjoyed getting to take home the blue ribbon and the giant gold trophy.
